

## **FORETOLD! The Bible, Covid 19 and Other Modern Day Tribulations.**

**By Kenneth Parsons and Hilary Porter**

When George Bush was asked by a journalist whether he feared that history would remember him as the bad guy, following his unjustified invasion of Iraq in 2003, and the estimated 1,033,000 excess deaths of innocent Iraqi men women and children that occurred as a result – he facetiously replied *no, I will simply have my guys write the history books that go into the Whitehouse Library.*

He wasn't joking.

The unsuspecting are effectively *brain dead*; they've been *had*; what many believe to be true is at least, partially wrong.

Much of history has been written, re-written and manipulated by wealthy influencers so many times that it *is* just a story – **his-story**, the story according to whatever ruler happened to be in charge at the time.

Our network evening news, (for us here in the UK it's usually ITV or the BBC, (the Brainwashing Broadcasting Corporation as we call it) and the papers are supposed to be impartial and tell us all we need to know, along with the good old Internet; and a lot of people hang on to every word they say.

But, the rest of us are left subconsciously unsure; that what we are being informed is the absolute truth, and not laced with misrepresentation; so, a great deal of mistrust and uncertainty remains in many people's minds.

We live in an age of global dishonesty and delusion of epic proportions.

For some, deceit is a way of life. Duplicity has become an art form.

Corruption of the truth is almost everywhere.

But it's weird, why some of us have not been programmed by our daily diet of news media brainwashing and misinformation; somehow, perhaps using our sixth sense, we can see through the bias, psychological manipulation, social influence, engineering and censorship.

And when we say 'others', we don't mean just a few – this adds up to public concern on a global scale.

The world is divided.

One only has to examine the linguistic weaponry that is being used across the board... the Internet, Social Media platforms, newspapers etc; it's suspiciously

manipulative to say the least. Unsurprisingly, there are those of us who can't quite put our finger on it, but a sixth sense alarm bell warns that what we are being sold by the media is not a true reflection of reality.

There are those of us where, the rebel *within* dictates that being influenced into how we should act, what we should say, wear and do is NOT an option.

New presenters speak in pleasant, but emotionless tones as they parrot autocue text; but are we right to believe what hear? Who scripts this stuff anyhow?

As far as we are concerned, the sickly-sweet, propagandist, government-approved media, 'safe' presentations fail to hold our attention and are no longer fit for purpose.

And now over to the weather, and now the sport, and now a word from our sponsors... a commercial break – enough already!

In a way, we're all under a spell - the spell of language... **spelling**; you see it's often *in the wording*, (e.g.; understanding v. over standing) and presentation.

And if correct, where does the deceit stop and tyranny begin?

It has been widely stated that the current method of \*gaslighting, withdrawing, censoring, and banning, is deliberately designed to cultivate consensus, in order that the flock obediently accept what they are fed information-wise, unquestioningly gobbling up everything presented to them.

\*Gaslighting: Using denial, misdirection, contradiction, and misinformation, gaslighting involves attempts to destabilize the victim and delegitimize the victim's beliefs.

But that fact-feed may be laced with poison; so, if like us, wouldn't you prefer do your own research first?

It is believed by some, that 'fact checking' is being used by both mainstream media and big tech companies in cohort with their political associates to interfere with and misinform the general population. It started with prejudiced media outlets from where it spread first to platforms such as Twitter and then Facebook which have been removing inconvenient opinions and facts under the pretext of 'fact checking'. Not surprisingly, their decisions are often unilateral and there is no one properly scrutinising the 'facts' of the 'fact checkers'.

We are all prone to believing information when it is repeated and easy to process.

“If you tell a lie big enough and keep repeating it, people will eventually come to believe it. The lie can be maintained only for such time as the State can shield the people from the political, economic and/or military consequences of the lie.

It thus becomes vitally important for the State to use all of its powers to repress dissent, for the truth is the mortal enemy of the lie, and thus by extension, the truth is the greatest enemy of the State.” Joseph Goebbells.

This is Brainwashing, (also known as mind control, menticide, coercive persuasion, thought control, thought reform, and re-education).

So, how can we believe anything we read or accept any mainstream ‘facts’?

I don’t think we can... hence the background of anxiety within.

But where to look for answers, with so much censorship going on.

One way of finding meaning is through Biblical narratives/fortellings.

Believe it or not The Bible seems to allude to Brainwashing

**Romans 12:2** *Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect.*

Cynics argue that our Bible, or any Bibles of the world, were simply designed to control people through fear; but we disagree with that assessment, as much of what is mentioned in the holy scriptures, (characters, places etc.) has been proven through archaeological findings.

It is commanded that the content of The Bible, (or any bibles come to that) shouldn’t be changed; it is said to contain the actual words of God or The Godhead, (also called ‘godhood’, which is the divinity or substance, of the Christian God) given through divine sources; it is a rule book, a reliable collection of historical documents written by patriarchs, prophets and/or apostles of God during their lifetime, and purposely left clues about their predictive visions.

The divine wisdom of God the creator, applies to then, now and the future.

Yet, many have defied God's rule; there are a multitude of different renditions or 'versions' of the Christian Bible in existence; so many adaptations of the word of God that it's difficult to estimate the true figure, although estimations have it at more than 2500 variations on a theme!

Not only this, but policing/censorship/revisionism/modification has also been a part of this great work.

Certain religious books have actually been 'lost' – or are missing from some Bibles... the Apocrypha as they are known.

These include:

- [Baruch](#)
- [Book of Tobit](#) (the Vulgate, and Luther call it "Tobias")
- [Book of Judith](#)
- [Book of Wisdom](#)
- [Ecclesiasticus](#)
- [Esdras](#)
- [Susanna](#)
- [1st & 2nd Maccabees](#)

The Apocrypha are religious texts that are in some versions of the Catholic Bible. Other versions omit them. The word comes from Ancient Greek ἀπόκρυφα (apokrypha). Apocrypha means those that were **hidden or secret**.

Generally, the term is applied to writings that were not part of the canon; but, having said that, the 'Apocrypha' was in every Christian Bible right up until 1828.

These secret texts were removed in 1828 from a limited, (though considerable number) of Bibles, because among other things, (or so the excuse goes) that they *were not Divinely inspired*.

Ironically, in the Apocrypha (Second Maccabees 12:41-45) it says... *the ways of the Lord, the righteous judge, who reveals things that are hidden*.

And then someone decides to go and *hide* these doctrines.

If that does amount to censorship, then what does?

Who on earth did/do those *high academics* think they were/are to alter and withhold any divine, or divinely inspired wisdom like that?

The idea of the body as a weight upon the soul is found in the Apocrypha.

*For a perishable body weighs down the soul, and this earthy tent burdens the thoughtful mind* (Wisdom 9:15).

Having had numerous religious Out of Body experiences ourselves, we can confirm that what is talked about in this section of the Apocrypha is the same soul/spirit body thought to separate and travel remotely, during Out of Body Experiences, (or OBE's, sometimes also termed Astral Travelling) and is even thought to survive physical death; *the ghost within* as it were... the immortal body.

And the physical body **does indeed** weigh down the spirit body.

When the ethereal spirit soul returns back into the physical – well, we have heard it described, (and we agree) that it's like entering a cumbersome lump of meat.

Upon re-entry, one temporarily *feels heavy* - is the only way we can define it.

Upon death - the old expression of *giving up the ghost* is an impeccable clarification.

Surely to withhold such knowledge is a sin – but then again, are we not all sinners?

We should all admit this is before God.

**Romans 3:23:** for all have sinned and fall short of the glory of God.

Yet, as someone, (can't recall who it was) once said, 'this is a world in which everything is forbidden unless it is explicitly permitted.'

We are, and have always been, at the mercy of the truth police.

And it has to be wondered what else, (perhaps under the instruction of whichever ruler was in charge at the time) has been removed from religious texts worldwide.

Not just the Christian/Catholic bible – but all bibles, of all faiths.

In these numerous 'versions', we find examples of cuts, mistranslations, paraphrasing and modernisation etc, etc.

Surely though, if we, (someone) disagree/disagrees/disagreed with something in any Holy Scripture, it's not the wording that needs to change – it's the examiner.

**Proverbs 30:5-6** States... Every word of God proves true; he is a shield to those who take refuge in him. Do not add to his words, lest he rebuke you and you be found a liar.

and

**Deuteronomy 4:2** warns... you shall not add to the word that I command you, nor take from it, that you may keep the commandments of the Lord your God that I command you.

But why do we continue to see so many variations? Maybe because, as it is written, the plans of His heart are for ALL generations. His Word is Timeless and His Promises Are Everlasting!

Yes, fashions change as the human race *evolves*, and fundamentally, the Bible tends to be decoded according to the times we live in.

The Bible has no sell-by, use-by or best before dates.

In many respects, it is as relevant today as when it was first written.

If one knows how to search for hidden or interwoven messages within religious texts then they will be found; for instance, one may see 'soul' as also being used as a coded substitute for the word 'energy'.

That's not changing, but deciphering... trying to make sense of it all.

One movement which originally hailed from Ethiopia, who promoted a bizarre and complicated theology, (whose meetings we used to attend during our early researches) taught us, that to them, **Genesis** really means the Genes of Isis. This is because the original story in that so-called first book of the Bible is really an Egyptian account written thousands of years before the Bible and was taught to initiates in the great Nile temples. Moreover, the syllable Gen means "woman" or "Queen".

This is, what was for them, (and still is for us to an extent) Sound Right Reasoning.

Gene-Isis is said to be a Sacred Genealogy only known to initiates.

With that in mind, clearly The Bible has been adjusted to suit.

These alterations are not progress, but truth decay.

**Revelations 13 verse 18** speaks about using wisdom and understanding a certain matter that will not be apparent. We know that revelations 19:20 clearly tells us that people WILL BE DECEIVED into taking the mark.

This will mean that no one can buy or sell anything without that mark; does that jog your memory about something?

A cashless society springs to mind; after all, when was the last time you used real cash notes and coin currency; also, note how many of the ATM's are being withdrawn?

And while not directly alluded to in Scripture, Covid-19 may be a shot across our bows to remind us that we are not so high and mighty as we think.

**M...24:21** *For at that time there will be great tribulation, unmatched from the beginning of the world until now, and never to be seen again.*

As most people are aware, in **Revelation 6:2-8** we have The Four Horsemen of Apocalypse representing War, Famine, Pestilence and Death.

Then there are the biblical roots of 'lockdown'

The word quarantine comes from the Latin *quadraginta* and the Italian *quaranta*, both meaning "40 days". We believe that this word of anxiety was deliberately chosen by our leaders because of its strong biblical foundations.

The number 40 occurs many times and in lots of contexts in the Bible, but although every case is different, most of the biblical periods of 40 relate to the single notion of testing.

**Revelation 13:16-18** also hints at the future.

First let us look at the attributes of God. He is all knowing; omnipotent, all powerful; omnipresent. Whereas the devil is not physically omnipresent and he requires an artificial system which would allow him to monitor every single human being... what we would term a Surveillance Society.

His ultimate desire is to completely control, track and monitor the global population; but to do this he must first eliminate the use of cash.

The number of the beast is described in [Revelation 13:15-18](#). Several translations have been interpreted for the meaning of the phrase "Here is Wisdom. Let him that hath understanding count the number of the beast..." where the peculiar Greek word ψηφισάτω (psephisato) is used. Possible translations include "to count", "to reckon" and also "to vote" or "to decide".

17|: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. 18: Here is wisdom. Let him that hath understanding count the number of the beast.

Revelation 13:18 states that if one is wise and has an understanding to count the number of the beast, which is also the number of a man (imitating [Son of man](#), Jesus Christ), **the number comes to 666.**

Now, Go Compare: Have a look at this from the official Congress.gov site

<https://www.congress.gov/bill/116th-congress/house-bill/6666/text>

H.R.6666 - COVID-19 Testing, Reaching, And Contacting Everyone (TRACE) Act.

But wait... a bill must be passed by both the House and Senate in identical form and then be signed by the President to become law.

Bills numbers restart every two years. **That means there are other bills with the number H.R. 6666 as well.** This is the one from the 116th Congress.

Just another coincidence, a *conspiracy theory*? Big Brother's ability to track virtually every human being on the planet? Vaccine Passports?

There is some doubt as to whether SARS-CoV-2 which is said to cause the Covid-19 disease, was manmade, maybe as a bio-weapon, (escaped from a virology lab in Wuhan, China whilst conducting experiments there) is a freak crossover virus that's come from bats to humans... or whether Covid-19 is simply an outright lie – a re-designation of other diseases, the normal range of diseases that always there, under the umbrella of Covid-19.

Any of these scenarios could have been seized upon to control society and kill-off a percentage of the population in order to balance the books, so to speak.

Not sure which one our money is on, but we know how Hitler back in WW2 implemented a eugenics or population reduction program.

Pick any philosophy you like, there's no getting away from the fact, that some powerful people in the world by are exploiting the pandemic.

The Guardian newspaper revealed in one its pieces, how the British government ran an exercise modelling the impact of a coronavirus outbreak, four years before the Covid-19 outbreak even happened, but tried to keep it secret.

It was one of 10 previously unpublicised pandemic planning exercises in the five years before Covid-19, now disclosed under freedom of information legislation.

Government officials had previously declined to reveal details of the exercises, citing the need to safeguard national security.

Well, call us Conspiracy Theorists if you like, but information like that is enough to make anyone think twice.

We are not alone; other people are rightly concerned as well; and fear of mortality and/or being controlled causes individuals to make irrational decisions.

Latest stats for 2021 show that the Samaritans must be working overtime, as there is currently a national suicide crisis going on, where 75,000 people have already died from what they called “deaths of despair”, something you won’t hear on any of the mainstream news broadcasts.

*News Flash 23/05/202: Extract... Millions of Britons have been "unwittingly tracked" using their mobile phones to see if vaccinated people moved about more after receiving their jabs.*

*A report from the SPI-B committee of Government scientists revealed that data from one in ten peoples’ phones were tracked in February without their owners’ awareness, the Telegraph reports.*

*The figures obtained were used by researchers at Oxford University, who carried out studies for the Scientific Pandemic Influenza Group on Behaviours (SPI-B), which advises Sage.*

*The Oxford University experts found 4,254 individuals were vaccinated using “cell phone mobility data for 10 per cent of the British population”.*

*Campaigners against greater state surveillance in the UK said Britons would be “disturbed to discover they were unwittingly tracked and subjected to behavioural analysis via their phones”.*

*Silkie Carlo, a spokesman for Big Brother Watch, told the paper: "No one expects that by going to get a vaccine they will be tracked and monitored by their own Government.*

*“This is deeply chilling and could be extremely damaging to public trust in medical confidentiality.*

But, although some may be slow to wake up to what is happening, the truth will always be discovered - as unpalatable as that truth may be.

God has determined as he said in Luke 12:2-3, that the secrets will be uncovered, the truth will come forth, and God's thought about every behaviour

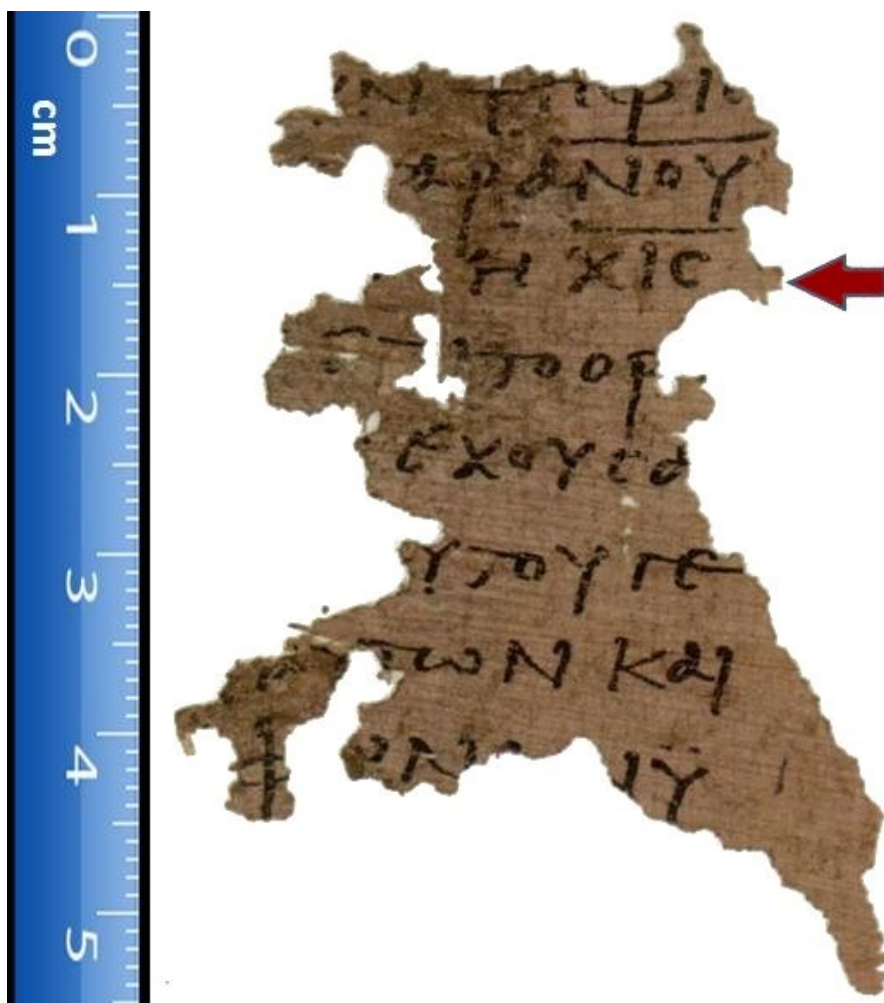

and action will be vindicated. What's done in the dark will come to light, and thank God he has created it to operate so!

There is a problem with the 666 prophesy though, Papyrus 115.

Papyrus 115 is a fragmented manuscript of the New Testament written in Greek on papyrus. It consists of 26 fragments of a codex containing parts of the Book of Revelation, and probably nothing more. It dates to the third century, c. 225-275 AD. Grenfell and Hunt discovered the papyrus in Oxyrhynchus, Egypt.

Papyrus 115 (which is the oldest preserved manuscript of the Revelation as of 2017), as well as other ancient sources like [Codex Ephraemi Rescriptus](#), give the number of the beast as χις or χιϛ (transliterable in Arabic numerals as 616) (χις), not 666; [critical editions of the Greek text](#), such as the [Novum Testamentum Graece](#), note 616 as a variant.

Is the 666 number a corruption of Biblical data?

Papyrus 115

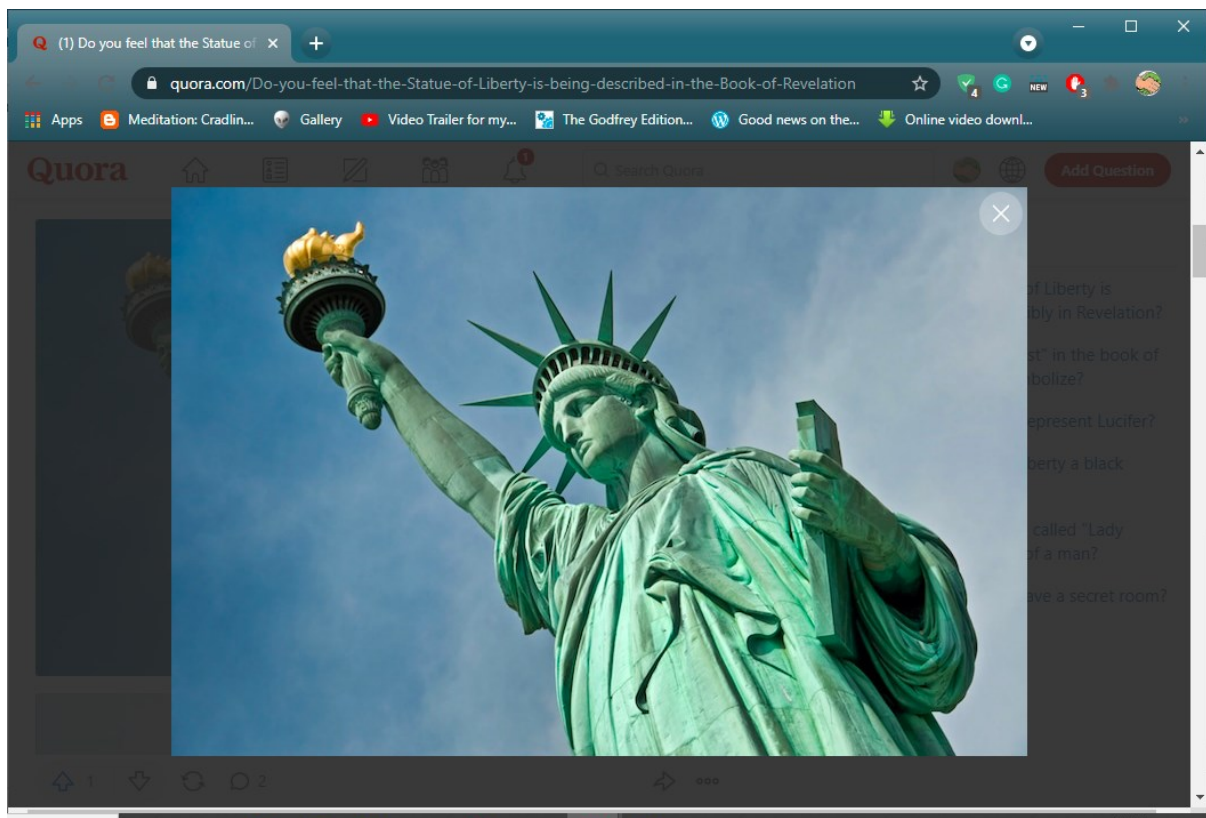

The Whore of Babylon prophecy as described in **Revelation 17 and 18** could be pertinent for today.

Sign of the times? No? Then we have to ask why does the Whore wear purple and red, and ride a red Beast and why is her name branded on her forehead? Might this be referring to the immoral side of America? The conclusion of many academics is that this is indeed the case.

*There I saw a woman sitting on a scarlet beast that was covered with blasphemous names and had seven heads and ten horns. The woman was dressed in purple and scarlet, and was glittering with gold, precious stones and pearls. She held a golden cup in her hand, filled with abominable things and the filth of her adulteries. The name written on her forehead was a mystery: Babylon the great, the mother of prostitutes and of the abominations of the earth. I saw that the woman was drunk with the blood of God's holy people, the blood of those who bore testimony to Jesus (Rev. 17:1-6, NIV).*

Some even consider the Statue of Liberty in America as a 'Trojan Horse'... a harmless-looking symbol of alleged liberty, but secretly, (to those who understand its true meaning) representing the harlot as spoken of within the Book of Revelation.

Rightly or wrongly, this idea may have come about due to the fact that most of those connected with the statue and the early American state, were Freemasons.

The Bible transcends time and is written to be interpreted throughout the different ages.

Preceding the King James Version of the Bible by 51 years, the language of the Geneva Bible was more forceful and vigorous, yet most readers of those times strongly preferred this version to the Great Bible.

Shakespeare may have even contributed to the King James translation; the idea that he played a part in creating the King James Bible looks quite believable.

Consider [Psalm 46](#). If you count 46 words from the beginning of Psalm 46 and 46 words from the ending of the psalm, (not counting the “Selahs”) you arrive at these two words: “shake” and “spear.” Try it.

It just so happens that Shakespeare would have been 46 years old in 1610, when scholars were finalizing the translations for publication the following year. So, was this the translators’ birthday tribute to Shakespeare in April 1610? Did he perhaps insert a disguised autograph into Psalm 46? Given Shakespeare’s connections at court with both Queen Elizabeth and King James, and given King James’s assemblage of a committee of over 50 known scholars, writers, and translators to work on the text, King James could easily have invited this wordsmith to contribute his expertise, perhaps proof read and even edit, fine-tune, (shall we say) the translations.

Unlike some of those scholars who have gone before, we are not tweaking or changing anything, merely reading between the lines

With that in mind, here are some interpretations appropriate for today.

**Matthew 24:6** “Ye shall hear of wars and rumours of wars – see that ye be not troubled.”

= War on our minds, on our lives – tainting the way we live and think... the ‘new normal’ – social ‘reset’?

How about My House of Many Mansions? that is a paraphrase of...

**John 14:2** which actually says “*In my Father's house there are many mansions.*”; but let’s take a step back here, what did that actually mean?

Most people consider a “mansion” as a giant home, having everything we ever want or need. Ideally, it would be a place of ultimate contentment and fulfilment.

But, how can we be sure that it isn’t an allegory referring to **dimensions**? – in other words, there’s plenty of room for everyone in heaven.

In our everyday lives, we experience three spatial dimensions, and a fourth dimension of time.

How could there be more? Quite easily, and this *heaven* maybe all around us, unseen, undetectable, parallel worlds which some scientists suspect exist on different atomic/molecular frequencies to that of our material plain of existence.

Centuries ago, they had to use a term of reference that people understood.

[Genesis 2:16–17](#) And the Lord God commanded the man, saying, Of every tree of the garden thou mayest freely eat: But of the tree of the knowledge of good and evil, thou shalt not eat of it: for in the day that thou eatest thereof thou shalt surely die.

Gene editing fits the bill well.

Gene editing involves changing a single DNA letter, or base, in a gene. ... But altering DNA in the human germ line — embryos, eggs, sperm or the cells that give rise to them — would create changes that could be passed on to future generations.

**Isaiah 3:5** Suggests - *the people will oppress one another, man against man, neighbor against neighbor; the young will rise up against the old, and the base against the honourable.*

Ritual humiliation, shaming episodes for 'non-compliance' - a nation of snitches?

**Jeremiah 32:35** And they have built the exalted places of Baal, (today, some say this equates with the United States?) which are in the valley of the son of Hinnom, so that they may initiate their sons and daughters into Molech, (an owl effigy that is supposedly still worshipped by the \*Illuminati) though it did not enter into my heart, that they should do this abomination, and so lead Judah into sin.

And incredibly, this kind of thing is still going on.

It is claimed that our world's leader's worship Satan, and are willing servants of EVIL but many are confined to calling them criminals. They who clearly lack kindness, compassion and empathy are controlled by Satan, the god of this world (2nd Corinthians 4:4). Satan controls these men through the occult (i.e., "hidden" organizations). Jesus said "in secret have I done nothing" (John 18:20), because He had nothing to hide. Why the secrecy from our nation's top leaders? I read somewhere that "the Skull and Bones Society is of the Devil. High level, secret Freemasonry is of the Devil".

As joint authors of this book we have even examined shocking undercover footage of such a get-together – the type Joe public never get to see, and believe us when we say that it is quite dark and occultist in nature.

In addition, it is hardly a secret how nearly 2,000 carefully selected government officials, corporate tycoons and other luminaries—men with power to shape the future—assemble privately every July in a redwood forest about 65 miles north of San Francisco.

The meeting includes a sombre ritual that features the Druidic burning of an effigy on the alter, chants from a robed chorus, and wild drinking and promiscuity. Richard Nixon once famously described the gathering as “the most faggy, G damned thing you could ever imagine.”

The bizarre Pagan ritual of the Bohemian Grove—the Cremation of Care ceremony, (just ‘Google’ Bohemian Grove to confirm... one of the few narratives that the ‘Fact Checkers’ and Internet police can’t completely censor) is practiced by its members (all men), including both Presidents Bush, Bill Clinton, Ronald Reagan, Alan Greenspan, Richard M. Nixon, Jimmy Carter, Walter Cronkite, Colin Powell, and Henry Kissinger to name but a few in politics.

Even Edward Teller, the Hungarian-American theoretical physicist known colloquially as "the father of the hydrogen bomb" was once there at the Bohemian Grove!

Members of the Bohemian club who owns the grove, also include bankers, scientists and other professionals, including doctors and the heads of ‘big pharma’; those who are pushing their poisons on the public using massive back room deals with governments and TV and radio to further their agendas.

Paedophiliac rituals by attendees at this sinister meeting, held every July, have even been reported.

It’s absolute madness, but our ostrich-like, (heads buried in the sand) denial about so many things in life that we don’t want to believe are true, allows this kind of thing, (certainly perverted, dare we say evil?) to go on largely unchecked.

Elites at the highest level are all in on this; our controllers, our governors – those running the world, each go to these rituals; either at the BG itself or a similar venue elsewhere.

But the Devil’s Advocate would argue... *that’s just a different set of values; ‘rituals’ you say, but isn’t everything in life a ritual?* public schooling is a

ritual... going to work is a ritual, even religion... praying in a church is a ritual; we all engage in rituals, so maybe what they do at the Bohemian Grove isn't so bad after all; oh, but it is!

This kind of thing is the last and ultimate enticement of Satan... his divine temptation... the rhetoric of hell.

Naturally, any victims of the greatest con-trick ever perpetrated by the devil, convincing the world that both he and God don't exist, will simply ignore what is written here out of disbelief.

Here's another good one, about not judging others – something that we all do from time-to-time.

**Matthew 7:3** Thou hypocrite, first cast out the beam out of thine own eye; and then shalt thou see clearly to cast out the mote out of thy brother's eye; cast those scales from thine eyes.

And it is wondered how the *ruling elite* see us?

Then there is seeing through a glass darkly.

### **1 Corinthians 13:12**

King James Version

12 For now we see through a glass, darkly; but then face to face: now I know in part; but then shall I know even as also I am known.

To see “through a glass” - a mirror - “darkly” is to have an obscure or imperfect vision of reality. The expression comes from the writings of the Apostle Paul; he explains that we do not now see clearly, but at the end of time, we will do so.

Modern day take: We must see that science is playing at being God; for example, those who gave us the SARS-COV-2 virus, who then insisted on compulsory ‘lockdowns’ which dramatically worsened the catastrophe, and who then pressed for global immunisation of the world's population as the only way to escape further disaster, plunging humanity into an uncertain future; this is the take home message; the deniers who ask for proof will get it, in time.

Filled with uncertainty and insecurity, we are now all inmates of an open prison, (with some *time-off* for good behaviour) and always will be, whenever they want to lock us up and eventually let us out again.

They call it ‘lockdown’ - the original dictionary definition of which is “the confinement of prisoners to their cells for a prolonged period of time, usually as

a security measure following a disturbance; the point at which such confinement begins. Also, in the context of a psychiatric hospital or other secure unit.”

More like ‘lock **up**’ we would say.

As these words are written, we all need a “reasonable excuse” for leaving home under the government’s Coronavirus regulations. Physical limitation bound by law is one thing, but enslavement of the mind isn’t so easy for our authoritarian state to enforce; this can be overcome; whether the situation is ‘pandemic or post ‘pandemic’; existent virus or not, we must break free of our mental shackles.

**Corinthians 15:34** Awake to righteous and sin not, for we are all children of light and children of the day; therefore, let us not sleep as do the others, but let us watch and be sober; it is high time to awake out of sleep.

[= In other words waking up to what is going on and stop living in denial. This could easily be applied to the times we are currently living through; a clue for which can be found in the mysterious Georgia Guidestones: We must be on our guard for the development of a one world government and any depopulation agenda].

The screenshot shows a Google search for "Georgia Guidestones population". The search results include several images and links. One prominent image shows a stone with the following text: "MAINTAIN HUMANITY UNDER 500,000,000 IN PERPETUAL BALANCE WITH NATURE", "GUIDE REPRODUCTION WISELY - IMPROVING FITNESS AND DIVERSITY", "UNITE HUMANITY WITH A LIVING NEW LANGUAGE", "RULE PASSION - FAITH - TRADITION - AND ALL THINGS WITH TEMPERED REASON". Other search results include "Georgia Guidestones -- mysterious ..." from zmescience.com, "Georgia Guidestones - Elberton, Georgia..." from atlasobscura.com, "Georgia Guidestones - Wikipedia" from en.wikipedia.org, and "Georgia Guidestones ..." from thetraveler.com. A detailed image of the stone is also shown, with the text "THE GEORGIA GUIDESTONES" and a note: "Maintain humanity under 500,000,000\* Limiting the population of the earth to 500 million will require the extermination of nine".

For now, is our salvation nearer than when we believed; the night is far spent, the day is at hand, let us therefore cast off the works of darkness and let us put on the armour of light.

Wherefore take unto you the whole armour of God that ye may be able to withstand in the evil day; having done all to stand, cast away from you all your transgressions: Whereby ye have transgressed and make you a new heart and a new spirit.

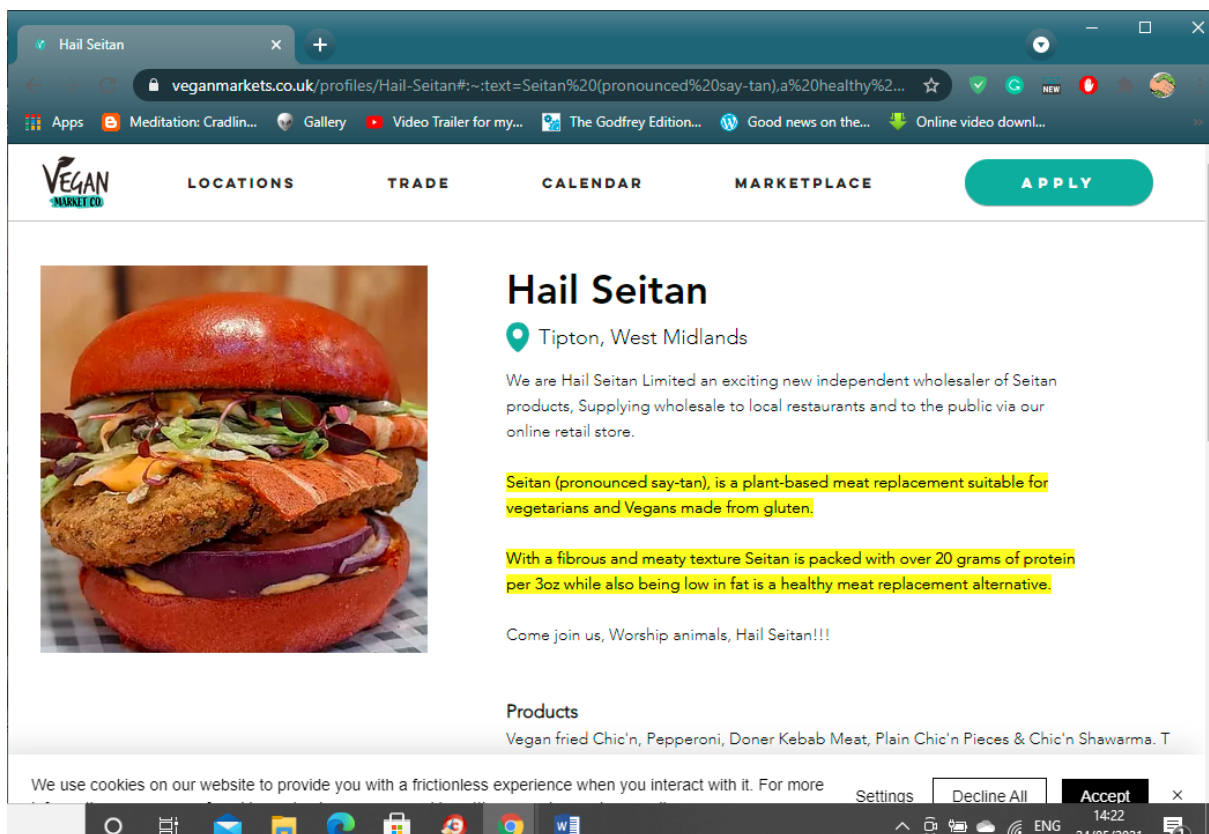

Is resistance futile? should we comply or die?

One of our favourites is the most intriguing passage concerning Ezekiel's wheel

[Ezekiel 1:16](#) *The appearance of the wheels and their work was like unto the colour of a beryl: and they four had one likeness: and their appearance and their work was as it were a wheel in the middle of a wheel.*

Ezekiel describes a "flying chariot" containing "wheels within wheels" and "powered by angels".

Some, including us, consider this incontrovertible proof of UFO's.

The screenshot shows a web browser window with the URL [veganmarkets.co.uk/profiles/Hail-Seitan#:~:text=Seitan%20\(pronounced%20say-tan\),a%20healthy%20](https://veganmarkets.co.uk/profiles/Hail-Seitan#:~:text=Seitan%20(pronounced%20say-tan),a%20healthy%20). The page is titled "Hail Seitan" and is located in "Tipton, West Midlands". The text on the page is as follows:

We are Hail Seitan Limited an exciting new independent wholesaler of Seitan products, Supplying wholesale to local restaurants and to the public via our online retail store.

**Seitan (pronounced say-tan), is a plant-based meat replacement suitable for vegetarians and Vegans made from gluten.**

**With a fibrous and meaty texture Seitan is packed with over 20 grams of protein per 3oz while also being low in fat is a healthy meat replacement alternative.**

Come join us, Worship animals, Hail Seitan!!!

**Products**  
Vegan fried Chic'n, Pepperoni, Doner Kebab Meat, Plain Chic'n Pieces & Chic'n Shawarma. T

At the bottom of the page, there is a cookie consent banner that reads: "We use cookies on our website to provide you with a frictionless experience when you interact with it. For more" with buttons for "Settings", "Decline All", and "Accept".

It's seitan not Satan that vegans are interested in. That's not to say there definitely aren't any Satanists that are also 'seitan-ists'.

We realise that this may be just a novelty, along with how many celebrities pay tribute to Horus by posing with a pyramid symbol over one eye while the other remains exposed; even the satanic, index finger up, middle fingers down, pinky up, thumb in, standard rock 'n' roll cult/sect hand salute used commonly by pop stars and concert-goers; but in the context of what we are discussing here, that is one heck of an interesting name just for a vegan burger!

Of course, it will be said that this is all just conspiracy theory... *and it's all to bring in a "New World Order"* sniggers all round; fact-check nothing proven here.

But not so fast - we get the feeling, that with a constant cycle of bad news, the public are being softened up, desensitised.

Humans are notoriously bad at assessing risk, that's why instead of just blindly playing *follow the leader*, becoming subtly programmed by 'telly' programmes, mimicking what others do and say in the media, each of us must use our own logic before we automatically accept that this is how life is... the way of the modern world... the 'new normal'.

There's none so blind as those who will not see; maybe that's because they have been blinkered to see only the road ahead leading to a life which has been mapped out for them.

Either side is often *where it's at*, in terms of new discoveries, new information, alternative routes.

Intelligent people have inquisitive minds; they ask questions, and do not simply believe what they are told – or blindly obey orders... or gullibly follow the proverbial dangling carrot, tempting them to walk forward evermore.

The determination by our controllers to influence particular attitudes and social behaviour on a large scale, are now paying big dividends... most are easily led.

Whether that is through the use of government educational programmes, media or social influencing – or even approved activist groups (the Pharisees of our day) in order to produce desired characteristics in a target population can be quite contrary to the original intentions of God.

In political science, it is called Social Engineering. In the Bible, it is called following people instead of God.

Under the guise of political correctness, traditional values and beliefs are no longer taught and in fact, persuaded against in the classroom.

History is being revised.

That marriage is not only between a man and women, but marriage is just as likely to be couples of the same sex; and how contempt must be shown for anyone who thinks otherwise... and gender fluidity, being \*non-binary is somehow fashionable... the *new normal*.

\*Non-binary or genderqueer is an umbrella term for gender identities that are neither male nor female—identities that are outside the gender binary.

[Leviticus 20:13](#) If a man lies with a male as with a woman, both of them have committed an abomination.

Yet in Genesis 1:27, it states “**So God created humankind in his image, in the image of God he created them; male and female he created them**”.

**He created male and female in God’s image.**

People have admitted that they rely on technology too much and actually believe that it dehumanizes them. One study found that 35% of people who own cellphones report checking their devices more than 50 times a day!

Technology has pushed us to lose our ability to communicate with each other face-to-face; many can’t enjoy a meal without checking their phones.

Instead, they choose to disregard things like family life, mixing with friends; they would rather scroll through Instagram or Facebook for hours on end... and speak using computer jargon and other clinically disconnected terminology.

As a result, many have lost the capacity to show kindness and empathy toward one another, becoming shallow and uncaring.

Basically, people are becoming less human and are living in a virtual reality.

We believe that this dehumanization is planned and was talked about in the Bible.

[1 Corinthians 6:19-20](#) says *you are not your own, for you were bought with a price. So glorify God in your body.*

**1 Corinthians 1:20** says “Where is the wise person? Where is the teacher of the law? Where is the philosopher of this age? Has not God made foolish the wisdom of the world?”

**Colossians 2:8** says, “See to it that no one takes you captive through hollow and deceptive philosophy, which depends on human tradition and the elemental spiritual forces of this world rather than on Christ.”

Instead of being led down the *right path*, and being dictated to, constantly reminded it's the *right thing* to do, our social duty to obey, we need to choose the path that is *correct* for us, which isn't always located on the right-hand side!

We are repeatedly instructed how the Left-Hand Path is equated with malicious dark forces, while the Right-Hand Path is the path to Christian wisdom.

Nowt but trouble down one, enlightenment down the other; so, everyone is herded along the *right path* – while the shepherd, (our controllers) doubles-back and heads along the other route.

The question is – which is the path to the purest, most complete knowledge?

**Revelation 13:18** This calls for wisdom. Whoever is intelligent can figure out the meaning of the number of the beast, because the number stands for the name of someone. Its number is 666.

Revelation doesn't say it is insanity to try and figure out who it is. It says it takes wisdom and intelligence to figure it out.

**Revelation 13:16-18**, "And he causeth all, both small and great, rich or poor, free and bond, to receive a You'll never think the same way again. . . The Revelation mark in their right hand, or in their foreheads: And that no man might buy or sell, save he that had the mark, or the name of the beast, or the number of his name. Here is wisdom. Let him that hath understanding count the number of the beast: for it is the number of a man; and his number is Six hundred threescore and six."

How about a number of men, (plural) and their number is 666?

I think we all know who this may be.

Problem is, do we obey or resist?

**Romans 13:1-7** Suggests that all of us must obey the government rules, never mind our birth right of freedom; that our governors are God's representatives here on earth.

But something within us questions, hey, these are only fat cats, privileged people who have wormed their way to the top through politics; note how it's always the wealthy who rule over us? no poor person has ever become prime minister or president.

Come on now, they are not 'Lords' in the truest sense... there is only one 'Lord' – the Lord God Almighty.

Lots of them are lords of the land certainly – landed gentry, and that's about it.

So, just why should we allow government rules and regulations to become tightly enmeshed in and limit our lives? why should we obey them – when so many at the top clearly live life according to their own dictum? 'Do what thou wilt.

They preach one thing and are often caught doing the complete opposite.

We see them on special occasions attending a Christian church – and indeed they seem to be praying, but to which God – ours or theirs?

Baphomet, Molech, Mammon?

They go through the motions, even though it has been proven that the majority are high-ranking Freemasons.

It is supposed however, that they may *bat for both sides* – in more senses than one.

Far-right thinking yes, but this seems to be all out war – a war for our minds... and the rebel within says prepare for visible resistance!

As the old saying goes – its better the devil you know – and we must certainly know who, or what, this d-evil is by now.

Normally, most of us would avoid people, cults and forces such as that... like the plague; yet we fear that the human population is gradually being sucked into a dark agenda without them realizing what is happening.

A programme on year or so ago with TV hypnotist Paul McKenna just about sums things up. He would hypnotise a few people on stage and make them look like idiots, then at the end of every show he would attempt to hypnotise the whole audience, but out of the few hundred audience members, there would always be a couple that he couldn't hypnotise.

Kind of reminds us of what's happening today – but now its Mass Hypnosis via the media; and yet, try telling someone they are under their spell and you are talking to a brick wall of deaf ears.

If a frog is suddenly put into a pot of boiling water, it will jump out and save itself from impending death; but if the frog is put in tepid water which is then brought to a boil slowly, it will not perceive the danger and will be cooked to death.

It is feared that like the frog in this metaphor, many in the world are slowly being cooked alive, thanks to attacks on their knowledge and liberty, that arise gradually rather than suddenly.

### **Matthew 24:3-8 NKJV**

#### **End Times Signs... The Culling of Humanity Through Disease and War?**

3 Now as He sat on the Mount of Olives, the disciples came to Him privately, saying, "Tell us, when will these things be? And what will be the sign of Your coming, and of the end of the age?"

4 And Jesus answered and said to them: "Take heed that no one deceives you. 5 For many will come in My name, saying, 'I am the Christ,' and will deceive many. 6 And you will hear of wars and rumors of wars. See that you are not troubled; for all these things must come to pass, but the end is not yet. 7 For nation will rise against nation, and kingdom against kingdom. And there will be famines, pestilences, and earthquakes in various places. 8 **All these are the beginning of sorrows.**

**Matthew 24:3-8** *Beware that no one leads you astray.*

Could the current coronavirus pandemic be a sign of the Second Coming of Christ? We're not certain, but it could be evidence of the third sign on Jesus' list, **pestilence**. The word pestilence is variously defined in dictionaries as "a fatal epidemic disease", "a contagion or infectious epidemic that is virulent and devastating."; and that describes perfectly what's happening in the world right now.

Are we being led astray?

Whether its *natural* (e.g. a strain of flu) or a 'manmade bioweapon' as some have claimed, we've heard it said by quite a few medical professionals, that the current gene therapies being injected into the arms of millions are actually causing the Covid-19 virus to mutate.

Mutation is its own survival mechanism... its means of escape.

This will eventually lead to less efficacious vaccines.

Also, there is the *scamdemic* school of thought, which says the Covid-19 virus didn't even exist initially.

The whole thing was "planned by a group of elites who are dictating to governments globally".

Covid-19 is just the flu re-branded; and that life after COVID-19 could see a world with a depleted population, along with “harsh tyrannical rules governed by a centralised totalitarian state”.

The outer bounds of possibility yes.

A reworking on this wacky, rank outsider, fringe theory of-an-idea suggests...

Now... thanks to the millions of doses of experimental gene therapy-type jabs being pumped into our shoulders and with each of us being a walking incubator anyway, we are unwittingly creating inside of us, and quite a few dying from, new variants of the flu!

But here’s a strange fact, a real fact that might link into such off the Richter scale ideas.

New peer-reviewed studies suggest there may be terrifying reasons side effects such as heart inflammation, VITT (Vaccine induced Thrombosis and Thrombocytopenia) and other serious issues may occur in those who have been vaccinated.

The coronavirus spike from certain mRNA COVID-19 shots does sometimes, unexpectedly enter the bloodstream, and a subset of people may face a variety of adverse side-effects.

The risk of **blood clots** associated with the AstraZeneca **vaccine** are now well known; ‘rare’ says the literature, but from our research not THAT rare.

Yes, folks, (according to ‘conspiracy theorists’) whichever theory ones chooses Covid-19 is/was a carefully engineered hoax of epic proportions - a *plandemic*; complete with the war-like government guidance and support such as ‘social distancing’, the mandatory wearing of masks, (*face nappies*, *muzzles* as some call them) elbow bumps, (informal greeting where two people touch elbows) clapping for the NHS and carers at 7pm, ‘Protect the NHS’.

Emotional ‘buzz’ slogans/pieces of text, repeated ad nauseum in the media across the globe, (rather like a mantra... the guiding mantra of those in power?) emotive memes/terms/catchphrases such as ‘act like you’ve got the virus’, ‘Long Covid’, ‘isolate’, ‘self-isolate’, ‘variants’, ‘stay at home’, ‘stay local’, ‘don’t blow it’, ‘roll up your sleeves and do your part’, ‘Freedom Day’, ‘If You Want A Life – Get A Jab’, ‘Vaccinated Only Music Concert’, ‘post-Covid life’, ‘self-isolate’, ‘refuseniks’, ‘covidiot’, ‘We Are in This Together’, ‘The Power of ‘X’’, ‘Nobody is Safe until Everyone is Safe’, ‘anti-vaxxers’, ‘vaxxer’, or ‘vaxxers’, or ‘vaxxed’, ‘One Collective Voice’, *the new normal*, *the great global reset*, (a rebranding of the New World Order?) ‘vaccines are the ticket

back to pre-pandemic normal’, ‘Hands. Face. Space’, ‘VerifyStudents’, (‘Immunitrax’ - digital vaccine passports for students) ‘Green Passport’, ‘vaccine certificate’, ‘vaccines versus variants’, ‘Jab and Go’, ‘Vaccine Buddy’, ‘Covid Marshals’, ‘Asymptomatic’, ‘Less Risk More Freedom’, ‘Frontline’, ‘Surge Testing’, [‘Joints For Jabs’](#) (in Washington State – *Google* it, were not kidding) ‘Free Childcare For Vaccinations’, ‘Free \$5,000 Scholarships For Vaccinated American Students’, ‘Let’s Take This Next Step Together’, ‘The Institute For Global Change’, ‘Super Spreaders’, ‘Novel Coronavirus’, ‘PCR Test’, ‘Rapid Lateral Flow test’, ‘Vaccine Hesitancy’, ‘Let’s Tackle Covid’, wash your hands while singing ‘happy birthday’, Covid Passports, which became the EU Digital Covid Certificate – (I.D. cards by another name), Digital Compliance, ‘Social Credit’ database, ‘Build Back Better’, ‘Corporate Screening’, ‘Fear Porn’, ‘No Jab – No Job’, (compulsory Covid vaccinations for carers), ‘Jabs For Jobs’, ‘It’s Up to You’, ‘Adaptive Learning’, ‘Gain of Function’, ‘Biosecurity’,

‘Lab-Leak Theory’, ‘Be Free From Fear’, ‘The Vaccine Divide’, ‘Group Think’, ‘Track and Trace’, which after public concern was quickly changed to ‘Test and Trace’, (the failed system and its unimaginable £37 billion cost) were just psychological, controlling ‘spin’; all part of the labyrinth that is being created around us to keep their cunning, evil scam going for as long as they can get away with it.

But why?

For what reason?

Anyone would think that Satan himself has taken over or something, using Covid-19 as a cover for mass genocide – a gradual culling of the human population!

Ludicrous – isn’t it?

Or maybe, just maybe, it’s a case of being too blind to see what’s in front of one’s nose.

Have *the many* been docile, foolish, and led humanity into a totalitarian nightmare?

Maybe time will tell; trouble is, these days, we have a state/government-run Internet, how would we ever know that this may NOT be just a conspiracy theory?

If true, by the time the *sheeple* wake up and try to change things, it will be too late.

Believest Thou This?

We are sitting on the wall, but find it highly suspect indeed how numerous governments, companies and individuals have asked Google to censor content. Records show that ‘in 2012, Google ruled in favour of more than half the requests they received via court orders and phone calls.’

‘Google and its subsidiary companies, such as YouTube, have removed or omitted information from its services in order to comply with company policies, legal demands, and government censorship laws.’

‘YouTube's product chief said that the Google-owned video site has removed thousands of COVID-19 videos.’

Social media companies including YouTube, Vimeo and Facebook are removing viral conspiracy theory videos because of their claims regarding the coronavirus pandemic.

When videos began to disappear from YouTube, supporters bombarded Twitter with claims that they were being unfairly censored.

Propaganda hates debate.

Back to **Revelations** again, and it has been said that the mandatory wearing of face masks is a precursor to the **Mark of the Beast**... a social conditioning that is in itself, part of an Occult ritual.

This part of the plan is enabling those who are behind this... be that physical and/or spiritual, to measure how effectual they are at controlling the population.

This observation is not so far-fetched either.

As we have seen, censorship is in full force – and pray what is the symbol for censorship? A masked human face... the mouth covered.

Anyone who attempts to get this information out, no matter who the whistle-blowers are... care home assistants, even doctors and virologists, are silenced and many channels are being removed from Facebook, Twitter, YouTube and censored from other, similar social media platforms.

And then there is the mask.

Countless words are similar to others, that is true, but in the context of this book, we must remember that ‘**Mask**’ is just one letter from ‘**Mark**’.

But before anyone gets all hot under the collar about this issue, the Bible also denounces mask-wearing, in the sense of hypocrisy.

Even if you don't see it straight away, the Bible suggests do not worry, the dark curtain will be lifted and the Antichrist will be exposed; then we will all know for sure.

Then we have Bill Gates, The World Health Organization's biggest donor, in all of this.

**“First, we’ve got population,”** he said during the talk organized by TED, a non-profit organization devoted to spreading ideas. **“The world today has 6.8 billion people. That’s headed up to about nine billion. Now, if we do a really great job on new vaccines, health care, reproductive health services, we could lower that by, perhaps, 10 or 15 percent. But there, we see an increase of about 1.3.”**

However, Gates was not suggesting the global population should be reduced using vaccines... no, no, according to Fact-checkers, he is actually saying that improving public health using vaccinations can reduce unsustainable population growth in the future.

We are reading this out of context.... Right?

Hmmm.

And here's another from our enri' (Henry Kissinger see Bohemian Grove earlier) claiming to say "*Depopulation should be the highest priority of foreign policy towards the third world, because the US economy will require large and increasing amounts of minerals from abroad, especially from less developed countries.*"

When asked, **Zebra Fact Check** said we did not find an attribution for the whole quotation.

But when we broke the quotation into pieces we found a big hunk in [NSSM 200](#), also known as "Implications of Worldwide Population Growth For U.S. Security and Overseas Interests (THE KISSINGER REPORT)." NSSM stands for "National Security Study Memorandum." The government document was published in 1974 and made public in 1980.

"Whatever may be done to guard against interruptions of supply and to develop domestic alternatives, the U.S. economy will require large and increasing amounts of minerals from abroad, especially from less developed countries.

That fact gives the U.S. enhanced interest in the political, economic, and social stability of the supplying countries. *Wherever a lessening of population pressures through reduced birth rates can increase the prospects for such stability, population policy becomes relevant to resource supplies and to the economic interests of the United States.*"

Oh, thanks, that clears things up (wink, wink).

Look almost anywhere on the Internet and the first few pages will be the newly created **fact check** this and **fact check** that.

It is patently obvious that search engines have been flooded with a uniform propaganda, which is to get those 'vaccine' doses into us as fast as possible; and any critics of this are canned, character assassinated and ridiculed.

These guys are all singing from the same hymn sheet in their Covid-19 drive.

Same goes for satellite channels; look through the news from around the world... hundreds are near identical in their reports – similarly scripted, standardized with comparable terminology used.

Nearly every world leader is now basically calling for the same thing; unless they have a medical reason, every man, woman and child on this planet is to be vaccinated by the end of 2022 to "defeat Covid".

But what's the great panic, even fact-checkers admit that the "survival rate" is somewhere between 99% and 99.5%, so the chances of anyone dying from this is akin to being struck by lightning.

Tony Blair has said it is "time to distinguish" between people who have and haven't had a coronavirus vaccine.

The former prime minister has warned it "makes no sense at all to treat those who have had vaccination the same as those who haven't" - and said relaxing measures for those who have had both jabs will provide a powerful incentive.

In other words, a divided society is being created where the unvaccinated are gradually being turned against the unvaccinated.

Yet in the Bible it clearly states...

*"It is a sin to despise one's neighbor, but blessed is the one who is kind to the needy."*

It's enough to make anyone wonder whether this the work of a shadow government, run by a private cabal of wealthy individuals who exercise power behind the scenes, beyond the inspection of democratic institutions.

Is this the New World Order?

There are those who have warned scientists are playing *grand creator* in the re-shaping of human genetics...

...that what these *white coats* are doing is a follow-on from the father of genetics himself Josef Mengele, also known as the Angel of Death (German: Todesengel) was a German Schutzstaffel (SS) officer and physician during World War II.

But on Genetic Engineering the Bible has this to say:

**Corinthians 15:38:** *But God gives it a body as he has chosen, and to each kind of seed its own body.*

Clearly, the Internet and TV are now, unofficially, being censored.

Copycat, government-line hypocrisy and insincerity are embedded in most of our newspapers.

The number of emergency cancer patients being admitted into hospitals has soared to record levels during Covid-19 pandemic.

Record NHS waiting list stands at 4.9 million (correct at June 08, 2021)

The COVID-19 pandemic has disrupted cancer services globally.

We have heard it said more than once, that the ‘Big C’ isn't COVID-19 - it's cancer – that is the *real* pandemic!

And yet reporting is relatively inaudible on the this – the biggest of issues.

There is a significant imbalance.

Representatives may say otherwise when pressed on the point, but it is apparent *the state* doesn't care about cancer or any of the other serious problems people are dying from, just getting the Covid-19 concoctions into our bodies is their main priority.

The true number of adverse side-effects and fatalities from all this go largely unreported by the mainstream.

Being kept feared and controlled by your screen is what it seems to be about.

TV has now become a place where the butt-kickers are censored, while the butt-lickers are paid big bucks.

Anyone caught speaking out about what is happening, either on Facebook, Twitter or YouTube are silenced in way or another... and so many forced to use less popular methods to get their point across.... alternative platforms.

But why?

Stupidity, ignorance? – no, we feel that there are other, more sinister factors at play.

Like the old idiom goes *therein lies the truth* [or there in amongst the lies the truth can be found] ... a few grains of truth in every tablespoon of media BS as it were.

Only a fool would deny that all this knowledge suppression is a gross violation of our birthright; our freedom of speech – and freedom to access accurate information... our right to know the truth.

That's why we hardly watch TV anymore – it's all too politically correct... diversity, gender and the Covid agenda 24/7.

Maybe the only way forward is go back – back to square one – The Bible.

### **Romans 16:17-18** ESV

I appeal to you, brothers, to watch out for those who cause divisions and create obstacles contrary to the doctrine that you have been taught; avoid them. For such persons do not serve our Lord Christ, but their own appetites, **and by smooth talk and flattery they deceive the hearts of the naive.**

### **2 Timothy 3:1-5** ESV

But understand this, that **in the last days there will come times of difficulty. For people will be lovers of self, lovers of money, proud, arrogant, abusive, disobedient to their parents, ungrateful, unholy, heartless, unappeasable, slanderous, without self-control, brutal, not loving good, treacherous, reckless, swollen with conceit, lovers of pleasure rather than lovers of God, having the appearance of godliness, but denying its power. Avoid such people.**

Here's another eye opener.

Please click on this link

[STRATEGIES FOR ADDRESSING VACCINE HESITANCY – A SYSTEMATIC REVIEW WHO SAGE working group dealing with vaccine hesitancy](#)

The link to [PR Campaigns](#) is alarming: a 250 pg. report on how to "manage" a "vaccine-hesitant" population.

It is very interesting to read how they create these campaigns to target and influence various groups.

We ask, if Covid-19 vaccines are so safe, and effective... why the need to research how to convince everyone to get them?

It couldn't be all about marketing and making money, and NOT about protecting our health... could it?

Now here's another mystery; should anyone experience severe side effects after getting a Covid vaccine, lawyers inform us that for the next four years, these companies are not liable if injuries related to the administration or use of products to treat or protect against Covid-19.

If something unintentionally goes wrong with their vaccines no one can sue them; the government has granted them a blanket safeguard from prosecution!

Take in the gravity of that for a moment – **they are immune...** to lawsuits!

It's nuts! and such protection from being sued is unprecedented in legal history.

We find it all very, very, very odd to say the least.

Doctors and nurses are too afraid to come forward for fear of losing their jobs; with any future hope of finding another within the profession sucked dry by those in command; scared of effectively being blacklisted, their hands are tied; but some have resigned over the matter.

Our own in-depth research reveals that the majority of people who have sadly died of this disease they call Covid-19, all had serious underlying medical problems.

According to The Society of the Anthropology of Work, *on May 2020, a priest in the Indian state of Odisha allegedly [beheaded a man](#) as a human sacrifice to end the COVID-19 pandemic.*

*When he was interrogated by police, the priest claimed that the goddess he worships told him to do it in a dream. As sensational as this story may be, a less obvious form of human sacrifice has been normalized in the United States for quite some time: the sacrifice of essential workers' lives to prop up a faltering economy. In their essay, they argue that essential in this pandemic has become a synonym for expendable.*

The article went on to talk about the terrible conditions that frontline workers in the hospitals of India have to endure.

It says, *what we are seeing is not heroism. It is involuntary human sacrifice, made to look voluntary.*

We wonder, is Covid-19 a terrifying experiment, where workers are seen as disposable offerings, along with the weak and elderly; are we all clandestinely considered by some as human sacrifices, with millions of us going on to suffer short/long term disease and disability? a slow or sudden death? after being chemically euthanized... all in the name of Satan and the economy?

This got us thinking how the words ‘sacrifice’/’sacrificed’ have been bandied about quite a bit in the media just recently – from Covid-19 to war stories; every opportunity, when an appropriate context arises we hear ‘Sacrifice’ proudly mentioned.

We wonder, does this in fact secretly/symbolically mean human sacrifices intended to please or appease our controllers’ Satanic god/gods, thus incurring divine favour?

Are COVID-19 deaths seen by those who secretly admire the Devil, as human sacrifices?

If we’re right, no wonder our leaders have all got self-satisfied looks on their faces.

But they sleep like contented babies with so many disabled, dying and dead.

According to The Defender, Children’s Health Defense, News and Views, [data released](#) by the Centers for Disease Control and Prevention’s [Vaccine Adverse Events Reporting System](#) there have been 262,521 reports of adverse events following COVID vaccines, including 4,406 deaths and 21,537 serious injuries between Dec. 14, 2020 and May 21, 2021.

06/04/21

Latest VAERS Data Show: 5,165 Deaths Reported Following COVID Vaccines.

VAERS data released today showed 294,801 reports of adverse events following COVID vaccines, including 5,165 deaths and 25,359 serious injuries between Dec. 14, 2020 and May 28, 2021.

And these shocking [data releases](#) come through every month, but are never shown on Primetime TV; again, why?

Some who have read the Bible believe the Coronavirus could be a biblical harbinger of doom.

White coats in a laboratory seem to have reimagined the wrath of at least one Horseman of the Apocalypse anyway, ‘Death’ in **Revelation 6:2-8**, causing the worldwide outbreak of the disease.

Their super-spreading madness is evident everywhere.

Every day the spectres of ‘War’, ‘Famine’, ‘Pestilence’ are constantly reported on – so ‘Death’ by disease just completes the picture.

**The Book of Revelation** is the last of Book of the Bible.

In the U.S. companies there are offering incentives for people to take the Covid jab, such as free meals, free beer etc... and in certain states the government are giving out free lottery tickets to those newly jabbed... oh the irony.

How much longer before we're running similar schemes over here in the UK?

One has to wonder just why they are pushing this experimental vax so hard when it is causing all sorts of problems?

What really are the motives of the Globalists?

The answer seems so obvious to us, yet may be so unbelievable to many others.

Using a manipulation of descriptions and data – the false image of an apocalyptic plague called Covid-19 may have been generated by those with a vested interest, in order to produce fear porn in the media.

Our dreams of freedom and democracy may be just worthless illusions.

**Colossians 2:8** ESV is especially appropriate for now; *See to it that no one takes you captive by philosophy and empty deceit...*

We end by saying – although quite a few people may have their heads buried in the sand regarding Biblical prophecies, world events and social engineering, several things mentioned here have already come to pass in this year of 2021.

There are more to come, but whatever we have to endure in our personal struggles for truth and wisdom, we urge the truth seeker to continue to do what they feel is right in this hurricane of deception.

*Those who would give up essential Liberty, to purchase a little temporary Safety, deserve neither Liberty nor Safety – Benjamin Franklin*

*We will decide who lives and who dies – Gordon Brown (Former British PM) speaking in 2021 regarding Covid-19 vaccines and Common Purpose.*

Remarkably, former British PM Tony Blair is said to viewed his decision to go to war in Iraq 2003, (you know, the war where an estimated 1,033,000 excess deaths of innocent Iraqi men women and children happened) and Kosovo as part of a "Christian battle", according to one of his closest political allies.

Blair was fairly quiet about his beliefs, though under the then Labour leader John Smith he joined the Christian Socialist Movement in 1992.8

*Never talk about God... GB [Gordon Brown] called and we agreed God was a disaster area.*

Also, Tony Blair's former press secretary reveals in his diaries that ex-PM often ... dismissed questions about Blair's faith by saying "we don't do God".

Crossley, James G. "45 Minutes from Doom! Tony Blair and the Radical Bible Rebranded." *Harnessing Chaos: The Bible in English Political Discourse Since 1968*. London: Bloomsbury T & T Clark, 2014. 210–241.
